Veto Session

Tuesday, October 22nd - Thursday, October 24th is scheduled as the first week of veto session for the Illinois General Assembly.

Tuesday, November 5th - Thursday, November 7th is the second week of veto session.

Please contact your legislators in their district offices before veto session and let them know that you are opposed to all gambling expansion legislation and that you get regular updates from ILCAAAP on proposed bills and legislative votes.

If you know that your lawmakers are voting to oppose gambling bills, then take this opportunity to thank them and keep them in your prayers. On the other hand, if your legislators are voting to expand gambling, let them know that you know that and that you would like for them to consider the harm that gambling does to families and communities. Also let them know that you are keeping them in prayer.
