

2014 ILCAAAP CANDIDATE SURVEY

Name of Candidate: Jim Wozniak

District: 71st Representative

Letter received:

I thank you for reaching out to me with your questionnaire. I have included my contact information with this letter that I hope you disclose to your members so that they may contact me directly if they so desire.

It is not my usual practice to complete questionnaires, as they consist of questions in a vacuum and in reality a legislator is often faced with difficult decisions that may run contrary to what he or she earlier supported or opposed. I am running to be a legislator, and a legislator represents their constituents. I do not support the expansion of gambling in Illinois. I am also opposed to the current medical marijuana legislation, as well as, the legalization of recreational marijuana. I also believe that the sale of alcohol should be subjected to reasonable regulation.

Should I be fortunate enough to be elected to the Illinois House in District 71, I will be more than happy to meet with representatives of your organization and listen to what concerns or thoughts you may have. I hope to speak with you and your supporters further on the campaign trail.

Thank you and please contact me or my campaign manager at your convenience.
